Revamping of AIIMS

2967. SHRI BHAGATRAM MANHAR:
SHRI RAJU PARMAR:

Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether it is a fact that All India Institute of Medical Sciences (AIIMS) New Delhi is to be revamped;

(b) whether it is also a fact that a proposal to this effect has already been finalized by Government; and

(c) if so, the complete details thereof and to what extent the poor and middle class will be benefited from this proposal?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (SHRI A. RAJA): (a) to (c) The AIIMS is planning to upgrade their facilities and a detailed Master Plan has already been submitted to Delhi Urban Art Commission. The Master Plan includes expansion of housing facilities, expanded hostel facilities, new institutional buildings like Pay Wards, extended OPD, digestion Centre, Renal Centre, Dental College, Captive Power Plant etc., extensive parking arrangements, boring of new tube wells, covering of nallah etc. The project is expected to cost Rs. 1300 crore and is planned to be implemented phase-wise as a part of vision 2025. The project has not been considered by the Government yet. Its implementation will depend on due clearances and availability of funds.

The facilities of AIIMS are extensively used by poor and middle class people and as such upgradation in facilities would benefit the poor and middle class.
